Subject: Thanks for wonderful experience

Dear Adam,

Let me thank you for your hospitality on our final exam.

Your office is just as you were describing it, you were not exaggerated. Final exam was a wonderful experience, we were transferred into completely new world, doing research, planning, having passionate discussions, and learning how to make a compromises. In one hour that we had to chose our property we learn more than in entirety of other courses. That was shortest hour I've ever had! We had our challenges: no internet connection, we faced differences in opinion, but when we finally made our decision, we stuck together as a team and everybody did its share to make our presentation the best it can be ...

You make us peak to whole another world of Landlord-Tenant Law. It is vast area, and I have desire to explore it even more. Your passion inspired me. My health almost made me cancel this course but I'm glad I didn't. I will continue this journey that I started with you ... Thank you for wonderful experience.

Warm regards,

Dxxx
